

GENERATES:

your society prioritizes:

LIVING WAGE LAWS

regulating the lowest hourly wage
employers must pay employees

to implement, you need:

GENERATES:

your society prioritizes:

OPEN BORDERS

legislation and policies that
enable free movement of people

to implement, you need:

GENERATES:

your society prioritizes:

PLANT-BASED FOOD SYSTEMS

food systems that exclude or
minimize reliance on animal
products

to implement, you need:

GENERATES:

your society prioritizes:

STRONG LOCAL GOVERNMENT

local government has authority,
resources, and autonomy to
effectively address the needs and
priorities of citizens

to implement, you need:

GENERATES:

your society prioritizes:

UNIVERSAL HEALTHCARE

a system that ensures all people
have access to the medical
services they need

to implement, you need:

GENERATES:

your society prioritizes:

ACCESSIBLE JUSTICE SYSTEM

fair, transparent, and unbiased
law and order systems for all

to implement, you need:

GENERATES:

your society prioritizes:

AFFORDABLE HOUSING

housing accessible to people with
a household income at or below
the median

to implement, you need:

GENERATES:

your society prioritizes:

UNIVERSAL BASIC INCOME

all citizens receive a regular and
unconditional payment from
the government to support their
livelihood

to implement, you need:

GENERATES:

your society prioritizes:

CARBON CREDITS

certificates representing the right
to emit a specific amount of
carbon dioxide

to implement, you need:

GENERATES:

your society prioritizes:

CITIZEN-FORWARD SOCIAL MEDIA

people-driven social media
designed to strengthen
cooperation and connection

to implement, you need:

GENERATES:

your society prioritizes:

CIVIC PARTICIPATION

enabling broad engagement in
key decision-making processes

to implement, you need:

GENERATES:

your society prioritizes:

ACCESSIBLE PUBLIC TRANSIT

ensuring equitable access to
using and navigating public
transport

to implement, you need:

GENERATES:

your society prioritizes:

CLEAN WATER INFRASTRUCTURE

infrastructure to treat and deliver
clean drinking water

to implement, you need:

GENERATES:

your society prioritizes:

CLEAR PATHWAYS TO CITIZENSHIP

immigration policies that
lay out a well-defined and
fair process for obtaining
citizenship of a country

to implement, you need:

GENERATES:

your society prioritizes:

CO-OPERATIVE BUSINESS MODELS

member-owned enterprises that
prioritize social and economic
benefits over maximizing profit

to implement, you need:

GENERATES:

your society prioritizes:

COMMUNITY ACTION

communities are empowered
and supported to create
interventions around issues
that matter to them

to implement, you need:

GENERATES:

your society prioritizes:

COMMUNITY HEALTH NETWORKS

an interconnected group of
healthcare providers delivering
coordinated and accessible
care to the local population

to implement, you need:

GENERATES:

your society prioritizes:

CULTURAL PRESERVATION

efforts to document, revitalize,
and protect valuable cultural
practices and heritage from
decline or extinction

to implement, you need:

GENERATES:

your society prioritizes:

DECOLONIZED WEALTH

a deliberate reversal of
problematic colonial and
capitalistic dynamics

to implement, you need:

GENERATES:

your society prioritizes:

DEGROWTH MOVEMENT

a shift from maximizing
economic output to improving
human wellbeing and ecological
sustainability

to implement, you need:

GENERATES:

your society prioritizes:

DEMILITARIZATION

reducing or withdrawing
military presence

to implement, you need:

GENERATES:

your society prioritizes:

DISASTER PREPAREDNESS

systems and processes that
allow for anticipation of and
protection from natural disasters,
pandemics, or other large scale
emergencies

to implement, you need:

GENERATES:

your society prioritizes:

EARLY CHILDHOOD EDUCATION

investment in and support for
robust and accessible learning
for all children from birth until
primary school

to implement, you need:

GENERATES:

your society prioritizes:

ECO-BANKING

banking with institutions that
do not fund fossil fuels or other
non-renewable resources

to implement, you need:

GENERATES:

your society prioritizes:

ELECTRIC VEHICLES

battery-powered modes
of transportation

to implement, you need:

GENERATES:

your society prioritizes:

ENDANGERED SPECIES PRESERVATION

conservation efforts to protect
and recover plant and animal
species at risk of extinction

to implement, you need:

GENERATES:

your society prioritizes:

ENVIRONMENTALLY SUSTAINABLE AI

green AI systems that rely
on environmentally-friendly
resources for development
and use

to implement, you need:

GENERATES:

your society prioritizes:

EQUITABLE ACCESS TO CELL PHONES

providing everyone the
ability to afford, obtain, and
use cell phones

to implement, you need:

GENERATES:

your society prioritizes:

EQUITABLE PUBLIC EDUCATION SYSTEM

resources and support provided
to all children to help them
develop to their full academic
and social potential

to implement, you need:

GENERATES:

your society prioritizes:

FOOD CROP DIVERSITY

producing and consuming a
greater variety of staple crops

to implement, you need:

GENERATES:

your society prioritizes:

FREE AND NORMALIZED BIRTH CONTROL

empowering individuals in their
reproductive choices by providing
readily available, affordable birth
control methods

to implement, you need:

GENERATES:

your society prioritizes:

FREEDOM OF RELIGION

the right to choose and practice
one's religion without interference

to implement, you need:

GENERATES:

your society prioritizes:

FREEDOM OF THE PRESS

the right of journalists and media
to report without being controlled
or censored by the government

to implement, you need:

GENERATES:

your society prioritizes:

HUMAN-CENTERED AI

AI systems that augment rather
than displace human abilities, with
a special focus on not inheriting
or amplifying biases

to implement, you need:

GENERATES:

your society prioritizes:

INCOME MAINTENANCE PROGRAMS

government initiatives that
provide monetary assistance to
people with insufficient or no
income

to implement, you need:

GENERATES:

your society prioritizes:

INDIGENOUS LIVELIHOODS

supporting traditional livelihood
practices including hunting,
fishing, gathering, and
pastoralism

to implement, you need:

GENERATES:

your society prioritizes:

INTENTIONAL COMMUNITY LIVING

multigenerational residential
communities where people live
together guided by a shared vision,
values, and collective purpose

to implement, you need:

GENERATES:

your society prioritizes:

JUST ENERGY TRANSITION BUSINESS MODELS

prioritizing clean energy across
industries while ensuring an
equitable transition for workers

to implement, you need:

GENERATES:

your society prioritizes:

LANGUAGE PRESERVATION

efforts to document, revitalize,
and protect languages from
decline or extinction

to implement, you need:

GENERATES:

your society prioritizes:

LIBRARIES

free, universal access to spaces
and institutions that provide
reading resources and community
services

to implement, you need:

GENERATES:

your society prioritizes:

MARRIAGE

a legally and socially recognized
union between two individuals,
giving them full rights and
benefits

to implement, you need:

GENERATES:

your society prioritizes:

MENTAL HEALTH SUPPORT

strong mental wellbeing support
systems integrated into home,
school, and work

to implement, you need:

GENERATES:

your society prioritizes:

MUSEUMS AND CULTURAL HERITAGE CENTERS

preserving and exhibiting art,
history, and anthropology
for public education and
engagement

to implement, you need:

GENERATES:

your society prioritizes:

NATIONAL PARKS

land designated by the
government for nature, wildlife,
and geological preservation.

to implement, you need:

GENERATES:

your society prioritizes:

NATIVE AND ANCESTRAL LANDBACK MOVEMENT

indigenous-led movement
that seeks to return ancestral
territories

to implement, you need:

GENERATES:

your society prioritizes:

NON-VIOLENT POLICE FORCE ALTERNATIVES

eliminating the use of violent
police tactics and giving
communities a diverse set of tools
with which to respond to crises

to implement, you need:

your society prioritizes:

OCEAN STEWARDSHIP

responsible use and protection of
the ocean and its resources

GENERATES:

to implement, you need:

GENERATES:

your society prioritizes:

OPEN ACCESS TO UNBIASED INFORMATION

facilitating free and unrestricted
availability of factual, objective
information without commercial
or ideological influence

to implement, you need:

GENERATES:

your society prioritizes:

PAID FAMILY LEAVE

providing paid time off for
parents and caregivers to care for
children, new babies or ill family
members

to implement, you need:

GENERATES:

your society prioritizes:

PARKS AND PLAYGROUNDS

widely available recreation and
green spaces

to implement, you need:

GENERATES:

your society prioritizes:

PARTICIPATORY BUDGETING SYSTEMS

processes in which community
members shape and decide how
to spend public budgets

to implement, you need:

GENERATES:

your society prioritizes:

PEOPLE-CENTERED INTERNET

internet as a force for good,
improving lives and wellbeing
of people

to implement, you need:

GENERATES:

your society prioritizes:

PROGRESSIVE TAXES

tax rate proportional to income

to implement, you need:

GENERATES:

your society prioritizes:

PROTECTION OF BIODIVERSITY

conservation efforts aimed at
safeguarding the diversity of life
on Earth

to implement, you need:

GENERATES:

your society prioritizes:

PROTECTIONS FOR FACTORY WORKERS

codifying minimum wage, safe
working conditions, and basic
housing standards for factory
workers

to implement, you need:

GENERATES:

your society prioritizes:

PROTECTIONS FOR FARMWORKERS

codifying minimum wage,
safe working conditions, and
basic housing standards for
farmworkers

to implement, you need:

GENERATES:

your society prioritizes:

PUBLIC ACCESS TO GREEN SPACE

providing easy access to parks,
gardens, and undeveloped
natural spaces

to implement, you need:

GENERATES:

your society prioritizes:

PUBLIC FUNDING FOR THE ARTS

government support for
artistic endeavors and cultural
enrichment

to implement, you need:

GENERATES:

your society prioritizes:

PUBLIC SAFETY

community-rooted and focused
policing and emergency services

to implement, you need:

GENERATES:

your society prioritizes:

BARRIER-FREE PUBLIC SPACE

barrier-free access to
public spaces

to implement, you need:

GENERATES:

your society prioritizes:

PUBLIC WASTEWATER MANAGEMENT

collection, treatment, and
disposal of sewage

to implement, you need:

GENERATES:

your society prioritizes:

PUBLICLY-FUNDED INTERNET

government-supported initiatives
to promote internet access for all

to implement, you need:

GENERATES:

your society prioritizes:

RECYCLING INFRASTRUCTURE

investment in recycling
infrastructure for new materials
and e-waste

to implement, you need:

GENERATES:

your society prioritizes:

REGENERATIVE AGRICULTURE

public and private support for farming approaches that focus on restoring soil and ecosystem health to enhance biodiversity, mitigate climate change and address inequity

to implement, you need:

GENERATES:

your society prioritizes:

REGULATED STOCK MARKET

government oversight of the marketplace for buying and selling securities (stocks and bonds) to ensure fairness, transparency, and investor protection

to implement, you need:

GENERATES:

your society prioritizes:

REPARATIONS

financial compensation for past injustices and their lasting effects

to implement, you need:

GENERATES:

your society prioritizes:

RESPECT FOR AND HONOR OF ELDERS

care and respect towards older
individuals due to their wisdom
and experience is elevated
to a societal value

to implement, you need:

GENERATES:

your society prioritizes:

ROBUST PUBLIC HEALTH RESEARCH

cutting edge, high-quality
research to improve public health
outcomes for all

to implement, you need:

GENERATES:

your society prioritizes:

SAFEGUARDS AGAINST SOCIAL MEDIA MISINFORMATION

consumer awareness
initiatives, platform efforts,
and regulations to promote the
proliferation of facts

to implement, you need:

GENERATES:

your society prioritizes:

SCIENTIFIC RESEARCH

investment in evidence-based
scientific research and its
dissemination

to implement, you need:

GENERATES:

your society prioritizes:

SIMPLIFYING BUREACRACY

making public services easier to
access and understand for all

to implement, you need:

GENERATES:

your society prioritizes:

SMALL BUSINESS E-COMMERCE SUCCESS

small businesses can easily
access and effectively use
e-commerce platforms

to implement, you need:

GENERATES:

your society prioritizes:

SMALL BUSINESS FUNDING

substantial government
assistance to help establish, run,
and expand small businesses

to implement, you need:

GENERATES:

your society prioritizes:

SOLAR PANELS

widespread use of devices that
convert sunlight into electricity

to implement, you need:

GENERATES:

your society prioritizes:

SOLID WASTE TREATMENT AND DISPOSAL

process of handling unwanted
solid materials post-utility

to implement, you need:

GENERATES:

your society prioritizes:

SPORTS CULTURE

elevating participation in and
perception of sports to the level
of values and traditions

to implement, you need:

GENERATES:

your society prioritizes:

STRONG SECOND-HAND ECONOMY

a vibrant and efficient economy
for second-hand goods comprises
a large portion of the market

to implement, you need:

GENERATES:

your society prioritizes:

SUPPORT FOR CHILD FOSTERING AND ADOPTION

financial incentives and
assistance for raising a foster
or adopted child

to implement, you need:

GENERATES:

your society prioritizes:

SUSTAINABLE CLOTHING SYSTEMS

creating and distributing
clothes with minimal negative
environmental and social impact

to implement, you need:

GENERATES:

your society prioritizes:

SUSTAINABLE URBAN PLANNING

inclusive urban development with
mixed-use spaces and
eco-friendly design

to implement, you need:

GENERATES:

your society prioritizes:

TRUST IN STATE AND LOCAL GOVERNMENT

public confidence in institutions
and leaders

to implement, you need:

GENERATES:

your society prioritizes:

URBAN AGRICULTURE

cultivating, processing, and
distributing food in urban settings

to implement, you need:

GENERATES:

your society prioritizes:

FLEXIBLE FAMILY STRUCTURES

acceptance and codification of
family structures outside of the
traditional model

to implement, you need:

GENERATES:

your society prioritizes:

VOTING RIGHTS PROTECTIONS

ensuring all voters are able to
participate in public elections
fairly, without barriers or
discrimination

to implement, you need:

GENERATES:

your society prioritizes:

WIND FARMS

proliferating turbines that use
wind power to generate electricity

to implement, you need:

GENERATES:

your society prioritizes:

WORKERS' RIGHTS

legal measures related to
labor rights, including salary
standards, working conditions,
safety and protections against
discrimination

to implement, you need:

GENERATES:

your society prioritizes:

WORKFORCE DEVELOPMENT

investment in and incentive for
professional and skilled trade
education

to implement, you need:

GENERATES:

your society prioritizes:

WORKPLACE WELLBEING

a shift from a culture of
overwork and burnout to greater
work-life balance

to implement, you need:

GENERATES:

your society prioritizes:

YOUTH LEADERSHIP

supporting young people in
developing and exercising skills to
defend their interests and guide
society towards positive change

to implement, you need:
