

GUIDING QUESTIONS:

At the end of each era, please tell the story of the society you've forged so far:

1. What is the state of your society—the economy, environment, society, politics, technology? Did you adhere to the legacy of your society's founder or did you depart from it?
2. What were you able to accomplish with the resources? What could you not bring to life and why?
3. What does it feel like to live in your society?
